Projects

Personal Website: *HTML5, CSS, JavaScript*

An attempted showcase of personal 35mm photography work alongside oil on canvas paintings. Using front end knowledge to display work in an elegant / efficient manner.

work in progress, code available upon request

XJ-16 Website: *Sketch, HTML5, SCSS, SASS, JavaScript, JQuery, custom webpack*

Build for a mock company showcasing their available shared space for creatives. Build started with sketching out ideas listening to the "client" and their needs. Taking feedback and building out in Sketch to bring the project closer to life. Upon approval of prototype, build out of concept to functional website.

code available upon request

Work Experience

Barista Portland, OR MANAGER *February 2016 – Present*

Maintaining standards at high volume shop in Portland. Focusing on implementing positive ethos and keeping healthy structure with both staff and clients. Logging consumption of materials and ordering from several vendors weekly. Delegation of tasks between managers and or floor staff. Weekly meetings focusing on quality control and staff education.

Building our brand staying true to our philosophy of excellent presentation and consistently without pretentiousness.

Time Bandits LLC Chicago, IL TEAM-MANAGER *April 2012 – September 2014*

Wholesale trainer for Halfwit Coffee Co established and based in Chicago Illinois. Establishing and maintaining relationships with both existing and potential clients. Traveling onsite to help set up equipment along with training staff on upkeep and ideal usage. Gaining familiarity with equipment both provided by Time Bandits L.L.C. and already owned by clients to provide proper training and usage. Weekly stand-ups and meetings to focus on brand building and public outreach.

Education

Depaul University Chicago, IL Philosophy & Digital Photography *2009-2011*
